

**RICHARDSON COUNTY, NEBRASKA**

**Humboldt Wooden Building Purchase for Removal Bid Sheet**

Wooden Building with tin roof located at Richardson County Yard, 305 South Nemaha, Humboldt, Nebraska.

Building/Debris must be removed within sixty (60) days of awarding bid, unless otherwise agreed upon by the Richardson County Highway Superintendent.

By placing a bid, Bidder agrees to the following conditions:

1. Bidder must provide proof of liability insurance and execute a general release of liability.
2. Building must be removed within sixty (60) days of award of bid. Building may not be resold until after complete removal from existing site.
3. Bidder agrees to complete removal of structure and debris from structure down to the concrete foundation.
4. Bidder agrees to remove all of the building materials from site.
5. Bidder agrees not to disturb or interfere with County employees needing access to the yard for work purposes. All removal will be done during normal Richardson County Department of Roads working hours, unless prior variation is approved by the Richardson County Highway Superintendent.
6. If bidders plan for removal will require permits, obtaining permits is the sole responsibility of the bidder. (Extension of sixty-day removal can be obtained from the Highway Superintendent for permit delays.)
7. Contents are not included (as some items may not be removable prior to building removal, these will remain property of Richardson County). Bidder will be respectful as to not willingly damage contents; all Richardson County property will be confirmed with successful bidder prior to removal.
8. Completion of Removal must be approved by the Richardson County Highway Superintendent.
