

PUBLIC TAX SALE INFORMATION

It is important to understand the process of purchasing tax sale certificates. Important elements to understand are:

- 1) You are purchasing the taxes and NOT the property, interest on the taxes is accrued at 14%
- 2) Tax Sale purchasers may subsequently pay any tax which becomes delinquent and add that tax to the amount paid in the purchase.
- 3) If the homeowner does not redeem (pay) the certificate during the statutory 3 year timeframe, you as the investor have a limited timeframe to start foreclosure proceedings on the property after the 3 year timeframe has been met. (Nebraska Statute 77-1902)
- 4) There is a \$25 registration fee to bid on taxes. This fee is not refundable.
- 5) There is a \$20 fee for each certificate purchased. Under Statute 77-1823 this fee is not refundable upon redemption.
- 6) There is a \$5 advertising fee that is collected for each certificate purchased.
- 7) It is the investor's responsibility to research properties. **All sales are sold Caveat Emptor.**
- 8) It is advised to seek legal counsel when the 3 year timeframe has been met, to assist in the foreclosure process.
