Q6 Funding from the American Rescue Plan Act (ARPA) will allow Richardson County to assist residents and businesses in recovery from the COVID-19 health emergency while making investments in the future. Please rank the following categories for potential spending in order of priority, with 5 being the most important to receive funding and 1 being the least important.

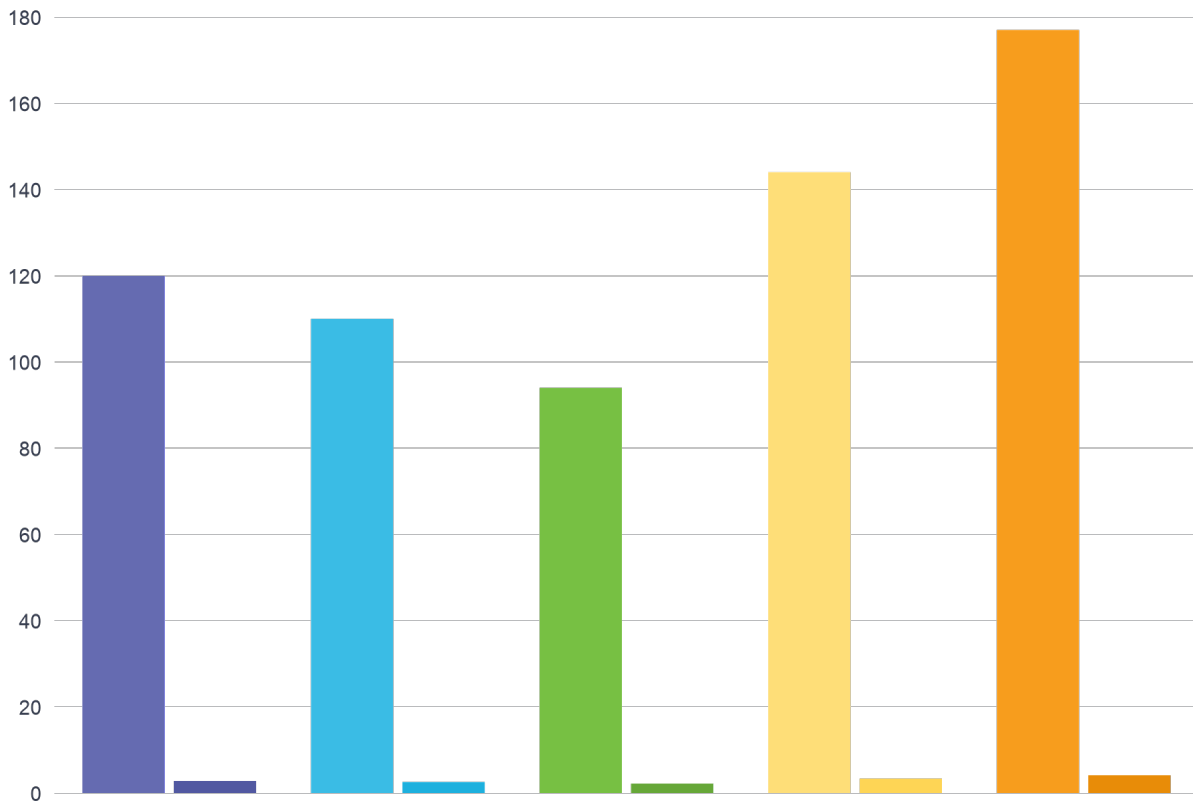

-Public Health: Examples of projects could include COVID-19 supplies and response, retrofitting public buildings for COVID safety, and mental health services.

-Negative Economic Impacts: Examples of projects could include small business assistance, job training, and assistance to nonprofits.

-Disproportionately Impacted Families: Examples of projects could include child care, early learning programs, and educational services like tutoring or afterschool programs.

-Public Infrastructure: Examples of projects could include water, sewer, and broadband system expansions.

-Housing & Neighborhoods: Examples of projects include affordable housing for the elderly, low-income families, homelessness, and the socially vulnerable.*

Q7 Please describe any projects you would like Richardson County to evaluate as

possible uses of ARPA funds.

Tuesday, November 30, 2021, 3:03 PM UTC

Richardson County House of Hope

Tuesday, November 30, 2021, 3:02 PM UTC

Public Infrastructure - Rich Co. Rural Water District #2 Expansion Project

Housing & Neighborhoods - Richardson Co. House of Hope to provide transitional housing for those in need of such facility

Tuesday, November 30, 2021, 3:00 PM UTC

Richardson County is in need of housing for the homeless and people have been released from jail. i request that ARPA funds be used for "House of Hope"

Tuesday, November 30, 2021, 2:59 PM UTC

I suggest that Richardson County use ARPA funds for Investments in housing and neighborhoods such as Richardson County House of Hope

Tuesday, November 30, 2021, 2:03 PM UTC

The Richardson County transition house would have the potential to greatly reduce the back sliding of prisoners back into jail. Give released prisoners a safe, stable place to get back on their feet.
