*** Funding from the American Rescue Plan Act (ARPA) will allow Richardson County to assist residents and businesses in recovery from the COVID-19 health emergency while making investments in the future. Please rank the following categories for potential spending in order of priority, with 5 being the most important to receive funding and 1 being the least important.**

- Public Health: Examples of projects could include COVID-19 supplies and response, retrofitting public buildings for COVID safety, and mental health services.
- Negative Economic Impacts: Examples of projects could include small business assistance, job training, and assistance to nonprofits.
- Disproportionately Impacted Families: Examples of projects could include child care, early learning programs, and educational services like tutoring or afterschool programs.
- Public Infrastructure: Examples of projects could include water, sewer, and broadband system expansions.
- Housing & Neighborhoods: Examples of projects include affordable housing for the elderly, low-income families, homelessness, and socially vulnerable.
